AKC Sanctioned 4 & Under 6 Months Puppy Competition

One combined class, not divided by sex, will be offered for puppies that are at least four (4) months of age but less than six (6) months of age on the date of the competition. Best of Breed and Best of Opposite Sex to Best of Breed will be chosen. An AKC registration number or AKC litter number is required for entries. A foreign born dog may enter this class if they are registered in the country of origin. All entrants must be vaccinated (including rabies) in accordance with their veterinarian's protocol in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized.

Dogs that are owned or co-owned by a professional handler may compete, but must be handled by a non-professional handler. A professional handler is defined by the AKC as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented him - or herself as handling dogs for pay. Dogs may not be exhibited by current assistants or household members of a professional handler.

AKC Rules in Dealing with Misconduct will be applicable to any person and dog entered at this competition. All applicable rules found in Rules Applying to Dog Shows will govern the conduct of this competition unless these regulations state otherwise.

Exhibitors should plan on opening the mouth of their puppy for the judges. Breed standard disqualifications such as color, height, weight or dentition shall not be a point of consideration in the judging process for this 4 & Under 6 Months Puppy in Competition.

NO PUPPIES UNDER THE AGE OF SIX (6) MONTHS, EXCEPT THOSE PARTICIPATING IN THE 4-6 MONTH PUPPY COMPETITION, MAY BE ON THE GROUNDS.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
